Dear President

Please find enclosed a complimentary copy of the Spring edition of *WORLD STATESMAN*.

WORLD STATESMAN magazine is distributed quarterly to senior politicians worldwide, as well as to chairmen and chief executives of the world's largest corporations. It was created in order to provide world leaders with an open forum for the publication of articles and interviews dealing with matters of international importance.

We believe that by accepting contributions mainly from senior political and business leaders, we will fill an important gap in communications.

In this context, we would like to invite you to contribute to a forthcoming edition of *WORLD STATESMAN*, and would welcome feedback from your office on what topics you would like to see covered by the magazine.

We thank you in advance for your co-operation and look forward to your response.

Yours faithfully,

Kris Szaniawski
