Dear President Aylwin:

Congratulations on the occasion of your inauguration as President of Chile.

I am so happy that a peaceful change has taken place in Chile, thanks to the help of the wonderful Chilean people. I remember with great sadness all the unnecessary losses, and I send my prayers and good wishes for a nonviolent renewal of the spirit of the Chilean people.

I regret that I cannot be with you on this momentous occasion, due to my conflict schedule long since planned. My thoughts are with you.

Sincerely,

Joan Baez
