Your Excellency

I welcome news of the investigation into the unlawful killing of NELSON WLADIMIRO CURIÑIR LINCOQUEO since 1990 and hope the full truth will emerge about his death in 1973 and that those responsible are being brought to justice.

With respect I would ask you to repeal the amnesty law of 1978 because it is an obstacle to bringing to justice those who committed this and other such illegal acts between 1973 and 1978. I would plead for better treatment of the Mapuche Indians and of all the indigenous peoples of Chile, and for recognition of their Human Rights.

Yours respectfully

Joan Preston
