 of prisoners

Your Excellency,

From an international working group for human rights, Amnesty International, I heard about the trail of Alfonso Chanfreau Oyarce. I am serious concerned about the possible transferral to military jurisdiction of investigations into the torture and 'disappearance' of Alfonso Chanfreau Oyarce in the context of the repeated failure of the military courts to investigate cases of human rights violations and to bring those responsible to justice.

For these reasons I ask you to repeal the 1978 Amnest law (Decree law 2191 Wich has prevented and continues to obstruct full judicial investigations into abuses committed before 1987.

I hope that you will do your utmost to stop or precast the violation of human rights in your country and specially for Alfonso Chanfreau Oyarce.

Yours sincerely,

Jaap van Deursen
