Dear President,

I am writing to express serious concern at the "disappearance" of José Julio Lauten and Juan Eleuterio Cheuquepán Levimulla on 11 June 1974 following their detention by members of 'carabineros' police

I welcome the investigations into the "disappearance" of five other Mapuches arrested on 11 June 1974 will lead to clarification of their fate and that those responsible will be brought to justice

I also respectfully ask that full investigations take place not only to inform the relatives about the fate of their loved ones but also to make sure that 'disappearances' or similar violations of human rights never happen again

C. Teague.
