MISSION FROM INDIA  
TO UNITE THE WORLD  
FOR ENVIRONMENTAL PROTECTION

Dear President,

We, the undersigned Youty SRINIVASA and GNANASEKARAN from INDIA, are on a campaign around the world by MARUTI SUSUKI 4x4 for Environmental Protection. We started our mission in June 1990 and so far have covered 45 countries (95,000 kms) including AFRICA, EUROPE, ASIA and AUSTRALIA.

During our Mission we were able to meet most of the world leaders and exchange our views and experiences. At the end of our mission in April 1993, we will submit our world environmental report to the Secretary General DR BOUTRAS-BOUTRAS GHALI at the U.N. Headquarters in New York.

We will be very grateful if you could kindly give us an appointment to allow us an opportunity to exchange our views. We will be in SANTIAGO from 17<sup>th</sup> December to 25<sup>th</sup> December, 1992.

We can be contacted through the Indian Embassy.

With profound respect and regards.

Yours faithfully

  
  
T SRINIVASA RAO AND R GNANASEKARAN

Dear Mr Rajasekaran Gnanasekaran and Mr Thangavelu Srinivasa Rao

It was a pleasure to meet you both on 13 October, along with your coordinator Dr Mani Senthil, Chairman of the NSW ALP Ethnic Campaign Committee.

I am pleased to offer you my support as you near your final destination of the United Nations in New York.

Your goal of bringing world-wide attention to, and gathering support for, protecting the global environment is admirable. Environmental protection is an objective toward which all the countries of the world must work together.

I wish you well as you continue your trip, and am sure that Australians and people around the world wholeheartedly welcome your efforts to protect our environment.

Again, congratulations on your efforts.

Regards
