Dear Mr. President,

On October 5, 1973, a group of heavily armed men in air force uniform entered the home of Nelson Wladimiro Curinir Lincoqueo a 22 year old Mapuche Indian, student at the State Technical University in Temuco and an activist in the Communist Party, and told the occupants that they were taking Nelson to the Maquehua air force base. His family never saw him again. In March 1990 it was discovered that his body was buried in a cemetery near Temuco. When the body was exhumed it was diccovered that he had been shot in the back of the head. We, the undersigned, are deeply concerned about the extrajudicial execution of Nelson Wladimiro Curinir Lincoqueo in 1973 and about the violations of the human rights of indigenous peoples in Chile.
