Excellencia

As a member of Amnesty International's Wangaratta group, I warmly welcome your opposition to the death penalty. We in Amnesty International fully agree with your personal policy on this subject.

Therefore, I request that you use the power of your high office of Presidente, to commute the death penalty of

JUAN DOMINGO SALVO ZÚÑIGA

as soon as possible

We hope that in due course you will be able to abolish the death penalty and thus ensure the long-term respect for the human rights of the citizens of Chile.

Greetings to you in your lovely country
from Australia

Sincerely
Fred A. McKeever
