

# Three Days Darkness and Third World War

*For many centuries holy Catholic prophets have foretold there would be a huge cross in the sky - visible to all humanity. This would be followed by three days of total darkness covering the earth. The only light would be from wax candles blessed by priests. All godless people would be destroyed. Fire would cover the earth. Our Lady recently told Christine Gallagher, who regularly sees her in Ireland, that these events will happen some time ~~this year - 1992~~.*

*When they occur, we should remain indoors, with the curtains drawn, not looking outside or opening the door to anyone. All the demons of hell will be let loose on the earth! We will then have to pray almost non-stop, preferably the Divine Mercy prayer and the Rosary. After the horrific three days, there will be a short period of peace and love - the triumphant reign of Jesus and Mary until the brief reign of the Anti-Christ. There will be a Third World War destroying 75% of humanity. (Many Christians have seen visions of this starting in 1997 when Hong Kong is returned to China. The Chinese will start the war).*

*Christians will be united. The Jewish nation will become Christian and Christ will come again at the end of the world. Malachy, a holy monk and prophet in the early centuries prophesied there would be only one Pope after John Paul II. So we must save as many souls as we can in the short time which we have left!*

## *Loving and Living*

Jesus and Mary promise that the world will eventually be led to a simple, clear peace. It will be fully supported by God, finally using His power in a massive show of strength. Mary says 'a new level of living' will allow people to reach their full dignity as children of God. As world events develop into disorder and hatred, God's plan will be clearly shown, centralised in Malta, offering the world the chance to finally overcome Evil. The plan will involve 'Light Energy' and 'Love Energy'. This will be closely linked to the Eucharist which will protect devout believers, even from **nuclear disasters** and **nuclear fallout**. It will finally save the world from total loss. Those who choose will reach 'a new level of ecstasy'. We will be shown how to love God with our whole selves and how to act with each other in a completely positive way - The Eucharist at a retreat centre in Malta will miraculously give out brilliant rays of light as a sign of the real presence of Jesus in it. This will give new light and energy to the whole world. Every person on earth will be shown their sins privately and will have the chance to ask God's forgiveness. We will learn how to radiate God's love and light. Jesus and Mary insist their final plan is for everyone. Mary said in February 1992 "I am prepared to use this scheme as a fundamental understanding of my love for everyone, as the Mother of God, who needs to show the world that God loves everyone and wants everyone to be with Him in a beautiful feat of strength." We will be uplifted beyond pain.

Sister Lucia who is the only survivor of the Fatima Apparitions of 1917 and who is now a nun in Portugal, says we are living in the time of the Bible's Book of Revelation (Apocalypse) especially Chapters 8 - 14. The Pope and Church have recently officially approved the revelations of Mary to a Japanese nun in Akita, Japan. This confirms that nuclear war and other man made disasters will occur. Mary says we are living in the most evil time in all history but that this Pope, John Paul II, is the holiest Pope ever.

Jesus and Mary have a lively sense of humour and say the Holy Family of Jesus, Mary and Joseph at Nazareth enjoyed laughter, and so should we! They ask us to form small, friendly prayer groups for people of all faiths. We should relax and laugh together (as well as pray and be creative) by enjoying hobbies such as art, nature and music.

Maureen Hughes is an English lady of Irish extraction. She gave up her job as a Deputy School Head to devote herself to spreading the messages she gets regularly from Jesus and Mary. She is helped by a loving husband, Joe, who gave up his teaching job to assist his wife. Jesus told them to live in Malta.

Mary told Fr. Gobbi in 1990 'I am forming for myself the army of the poor, the humble and the pure of heart to prepare for Jesus who is coming back to you, in Glory'. We must prepare happily for the Second Coming of Christ.
