Dear Mr. President Patricio Aylwin Azocar !  
Your Excellency !

In all my letters I sent to Your Excellency I told you about my in  
Germany outstanding collection of signatures of Heads of States and  
of other famous men of the political life from today of more than 166  
different nations, which I started in 1953 - and in all my letters I  
asked Your Excellency very politely, if Your Excellency would be so  
kind in sending graciously Your Excellency's original own-hand-written  
signature, duly signed in ink (and not a facsimile one!!) on a copy of  
a photograph or on a personal card.

Never I received any answer on all my letters, but today I opened very  
exhausted and excited a letter from Your Excellency's Private-Secretary.  
Thank you so much for the wonderful picture of Your Excellency, but I am  
sad about the fact, that this picture only covers a printed signature  
and not an original written one. Therefore I ask Your Excellency once more  
very politely for Your Excellency's original own-hand-written signature,  
duly signed in ink on a personal card - please not a printed signature!!,  
which I would like to add to the picture of Your Excellency in my in  
Germany outstanding collection.

Your Excellency will make me so happy, if you would understand my  
feelings as autograph-collector of original written signatures. Thank  
you so much for your graciously action !

With all my warmest regards and best wishes for future  
I am Your Excellency's  
obediently
