

Starting date: September 25th, 1992.

Every series continues for six months, i. e. 6 classes, hence "class-by-class" lottery. Every Friday a drawing will take place. After every 1st drawing in each class you will be sent the List of Winning Numbers together with the ticket for the next class of the series. Every winner, i. e. the holder of a winning ticketnumber, will be informed by me personally without delay. Prize money will be paid out according to your instructions in any country of the world - with utter discretion and tax-free!

You can order your ticket/s from me at once. Payment can be made by cheque (also private) or postal money order payable to H.G. SCHULZE, either in US Dollars, Pounds Sterling, Deutsche Mark or any other freely convertible currency after receiving the ticket/s. Cash only by registered letter at sender's risk.

Ticket share	Ticket price per class	Throughout all 6 classes
1/1 LOT TICKET	DM 140.--/US \$ 90.-/GB £ 50.-	DM 840.--/US \$ 540.-/GB £ 300.-

1/8 LOT TICKET	DM 17.50/US \$ 15.-/GB £ 7.-	DM 105.--/US \$ 90.-/GB £ 42.-

plus DM 4.--/US \$ 3.-/GB £ 1.50 per month for mailing charges and lists of winning numbers.

Don't miss your chance! Order your ticket/s today to make sure you'll be in the next series. Just use the enclosed order form.

With my best wishes for plenty of luck in the forthcoming drawings,

Yours sincerely

P.S.: Come visit Hamburg!

I will treat my customers from abroad to a meal in an authentic Hamburg restaurant.

Prizes/prices in US \$ are subject to the rate of exchange.

What if I win?

No matter how small or big the prize-money will be, we will notify you the day the ticket is drawn in writing. Prize money is paid out by cheque. You may of course collect the money in person. Just call and we will arrange for it to be waiting for you at our office. Needless to say, you can count on our complete discretion.

What is the Northwest German State Lottery?

This government-run lottery started in 1612 and has been running now for 380 years. What makes it so attractive moderate ticket prices - even though thousands of new prizes have been added. Thousands of people throughout the world have been playing and winning.

What is a Super Draw?

Every monthly round starts with a Super Draw - with extra Super prizes: 2 x 1 million. For 26 weeks there will be 2 x 1 Million each week and 20 times 100,000 DM (520 prizes of 100,000 DM in all). The drawing and distribution of the lottery prizes remains under strict control of the Germany Government. 1,500,000 tickets participate in the lottery. The first draw will start on Sept 25th 1992 and last on March 19th 1993.

What is a Lottery Agent?

He is the official ticket-distributor and must comply with the strict controls imposed by the German Government. He is as such subject to periodic inspections. The Lottery Agent is the link between the player and the lottery and must operate

according to the rules and regulations of the Northwest German State Lottery.

And don't forget!

- * The total prize money exceeds 615,337,500 DM
- * Only 1,500,000 tickets issued.
- * 601,469 prizes are guaranteed to be draw.
- * That is a 40,6 % winning chance when you play all 6 rounds.
- * In the 6th round there are 7 x 1 million, 1 x 2 million and the 1 Superprize of 3 million DM. 1 Superprize of 4 million DM. 1 Superprize of 5 million DM. 1 Superprize of 6 million DM.

How does the lottery work?

- Nothing could be simpler! Just fill in the orderform, return it to us and we will send you by return mail
- * your ordered tickets
 - * the official drawing schedule with rules and regulations
 - * Further informations to help to play the lottery

How do I pay for my tickets?

Again very simple: In your own currency convertible. You can pay by cheque or Eurocheque, cash (at your own risk) or by bankers order, traveller cheque, moneyorder or Visa, Master, American Express, Diners. By credit card for all 6 classes in one sum only (additional charge DM 35,-/£ 13,-/\$ 22,-).

Every Friday two million and 20 times 100,000 DM.
