Dear Presidente Azocar:

I write to you as a member of Amnesty International Great Neck chapter expressing concern over the 957 disappearances especially of 80 Mapuche Indians. Jose Julio Llaulen, who was 16 and Juan E. Cheuquepan Levimilla, a 39 year old were disappeared on the 11 of June 1974. In 1991 the Appeals Court of Temuco ordered the detention of two former uniformed police and a civilian on charges of abduction of these 2 disappeared men. We welcome investigations no matter how long after the fact and hope those responsible will be brought to justice. Amnesty International has a long memory and we are appealing to your country to continue investigations of these abuses of human rights. Any comment will be gratefully received.

Yours truly,

Phyllis Singer
