Dear Mr. President

1992 is the 500th anniversary of the arrival of Europeans in the Americas.

This anniversary has highlighted the plight of indigenous peoples throughout the continent.

I am very concerned about the human rights violations suffered by such people in your country. Of particular concern to me is the case of Nelson Wladimir Curimán Lincoyuan -

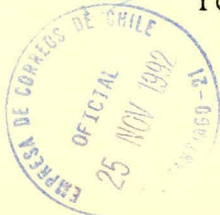

Killed 25 NOV 1973

Please do all you can to ensure justice and respect for all members of indigenous communities in your country.

Yours respectfully,

AJ Parry
