I hope you will be receiving more letters from the Girl Guides Association (United Kingdom) Peterborough North and read the message they carry.

Sometimes there seems so little one can do to achieve a peaceful world for these children to be brought up in.

However, I am sure, that if you and all world leaders have in your hearts the messages of these children when you sit round the conference tables the right decisions will be made.

Please remember our message of

Peace Always

Thank you for taking the time to read these letters
