Dear Sir,

Being a member of Amnesty International, a politically independent organization, I would like to express my concern about the reports of the continuing use of death penalty in Chile. I welcome your personal opposition to death penalty and kindly request that you exercise your power and clemency and commute the death sentence against JUAN DOMINGO SALVO ZUNIGA. As you may know, we are totally opposed to the use of death penalty.

I trust you will try your best and remain

Yours faithfully

D. Riande
