Your Excellency

I am an Assistant Personnel Officer working in the education section and a member of the British Section of Amnesty International. As you may know, Amnesty International is totally opposed to the death penalty and therefore I particularly welcome your opposition to it.

I am writing to respectfully request you to exercise your power of clemency and commute the death sentences against Mauro Gonzalez Quispe, Rene Larico Aguilar and Lisbert Fausto Mamani Morales.

Also, I wish to respectfully call for the total abolition of the death penalty in Chile, in line with the worldwide trend. As you will know, over 40 per cent of all countries have now abolished the death penalty in law or in practice.

Abolition of the death penalty would ensure long-term respect for the human rights of all peoples, regardless of nationality, rights which the death penalty clearly violates.

Yours sincerely
