Your Excellency,

I welcome the news that you have taken the decision to commute the death sentences of Mauro Gonzalez Quispe, René Larico Aguilas and Lisbert Fausto Mamani Morales; as you know Amnesty International are totally opposed to the use of the death penalty, a view you yourself share.

May I once again ask that you do all in your power to ensure that the death penalty is abolished as soon as possible in Chile.

As a further measure, can I draw to your attention the sentence of RAFAEL
E SCORZA MENRIQUEZ, who, to my

knowledge, remains under sentence of death on charges of 'asociación ilícita terrorista'.

Please may I call on you to once again exercise your powers of discretion to grant Clemency in this case.

I thank you for your concern in these matters,
May God guide you in justice,

Yours Respectfully

Kevin Fray.
