Your Excellency,

I welcome President Patricio Aylwin's decision to commute the death sentences of Mauro González Quispe, 32, René Larico Aguilar 21, Lisbert Fausto Mamani Morales, 20 and Rafael Escorza Henríquez;

I will express serious concern that Rafael Escorza Henríquez has been sentenced to death and respectfully request President Aylwin to exercise his power of clemency to commute his death sentence;

I want to state Amnesty International's total opposition to the death penalty;

I call for the total abolition of the death penalty in Chile and state that abolition would ensure long-term respect for the human rights of all people, regardless of nationality, which the death penalty clearly violates.

Yours respectfully and sincerely

Ann-Marie Sobelius
