

Santiago 29 de Enero 1999

My dear Jack.

I begin these lines asking you to forgive my mistakes in english. [It is a pity I did not receive that letter from you before your departure.

seguido - Believe me that I feel terribly sorry not to be able to accomplish my commitment with you during January as it was agreed. "Fundación Andes" our sponsor asked us a much more detailed description of our project. As a result the money shall not be authorized until the month of March; This means after ~~holidays~~ holidays

I hope you will understand our situation.

In any case, you can be sure of our commitment, our project is a reality.

It will be great if you could come to work with us in July. For how long ^{it} will depends ~~on~~ on our economical resources. In this moment I am able to offer you the payment of the ticket, for the rest: Hotel and expenses ~~if by that~~ I am ^{sure} that thru the English Ambassador we shall be able to get a collaboration of the "British Council".

The open of Dafne will be on the first week of August in the Teatro Providencia. We have already another performance fixed in Viña del Mar. We are ^{also} organizing perfor-

mances in seven ^{other cities,} ~~cities~~ from North to South all of them during August.

Many thanks for your appreciation of our
C.D. And my best wishes for "Ercole Amante"

Very sincerely

Sylvia Soublette
