Excellency,

I refer to my letter from the 8-1-92 and the answer from Enero 20 de 1992
Meanwhile the bill of indictment against the ex-leader of the German
democratic reöublic is written. As well the warrent for arrest as
the indictment are illegal and an eventual trial in Germany would
be a political case.

In the german news papers I have read that "the president of Chile
exclude the admittance of the ex-leader Erich Honecker in his country.
Returning from the USA he denied against Prensa Latina his remark
in Diario-16".

I am shure that the government of Chile will make every effort to
protect the man, who always has combatted against the Fascism and
who has saved many people persecuted during the dictatorship of Chile.

In the name of justice and humanity I plead with you, mister President,
to accord the right of sanctuary to Erich Honecker.

Very respectfully

yours

Eva Ruppert
