Dear Mr. Marcelo Trivelli,

At American Airlines, we strive to offer our AAdvantage members new ways to earn AAdvantage miles that will have you traveling free even sooner! Today, we're pleased to bring you another way to earn AAdvantage miles and a simpler, more convenient way to make calls -- around the world.

Introducing the MCI/AAdvantage program.

With every MCI call you make, you earn AAdvantage miles. For each U.S. dollar (or equivalent in your currency) you spend, excluding taxes and credits, you'll be awarded 5 AAdvantage miles. For example, on a single business trip you might make \$100 worth of calls. Why not earn 500 miles for it? You'll see your AAdvantage miles add up fast!

Earn 1,000 bonus AAdvantage miles.

Enroll by December 31, 1992 and when you make your first call using the MCI/AAdvantage Calling Card, we'll award your AAdvantage account with 1,000 bonus miles!

The international telephone service is provided by MCI.®

MCI, a \$9.5 billion company, owns and operates one of the world's largest telecommunications networks. In the U.S., it has a reputation for providing long distance savings and unsurpassed quality of service. Now, this same commitment to quality and value is available from MCI to callers around the world.
