His Excellency the President of the
Republic of Chile
Mr. Patricio Aylwin

Dear His Excellency Patricio Aylwin,

On behalf of the members of the Japanese Economic and Investment Environment Study Mission to Latin America, sponsored by the Japan Productivity Center, I would like to express our deep appreciation for sparing your precious time to meet us on February 26, 1992.

Ending the whole programme in Mexico City, now all of us have returned to Japan with great satisfaction at the results of our tour, especially the visit to The Republic of Chile. Clearly, the programme in Santiago was so comprehensive as to give us a deep insight into the economic and investment situation of your country.

We do hope that the first-hand information we shared with you would eventually contribute toward solidifying closer relations between your country and ours.

With deep appreciation again, with best regards and best wishes,

Sincerely yours,

内海 孝
