Dear President Aylwin:

On behalf of the American Heart Association, we would like to request an item for our silent auction to benefit the Tom Green County Division of the American Heart Association. We feel certain the item would generate a high bid.

The auction will be an important part of Celebrity Gala, our primary fundraiser for the fight against heart and blood vessel disease. Celebrity Gala will be held May 6 at the Convention Center in San Angelo.

Please feel good about the fact that your donation will help to generate funds for the fight against cardiovascular disease. Unfortunately heart disease is still the leading cause of death in the United States, but progress can be made as we continue to fund research and public education.

Thank you for your consideration of this request. We hope to hear from you soon. Enclosed for your convenience is an address label.

Sincerely,

Cynthia Mundell
Auction Chairman
