Your Excellency,

We are very pleased about your opposition to the death penalty. We would like you to exercise your power of clemency and commute the death sentences against Mauro Gonzalez Quispe, Rene Larico Aguilar and Lisbert Fausto Mamani Morales.

Amnesty International opposes the death penalty in all cases as a violation of the right to life and the right not to be subjected to cruel, inhuman or degrading treatment or punishment as proclaimed in the Universal Declaration of Human Rights. We support Amnesty on this position.

We would like the total abolition of the death penalty in Chile in line with the worldwide trend (over 40 percent of all countries have now abolished the death penalty law or in practice). The abolition would ensure long-term respect for the rights of all peoples, regardless of nationality, which the death penalty clearly violates.

Most sincerely and respectfully,

Joe Schulz
