out of concern
 for human rights worldwide. I am
 worried to hear that threats have been
 made against CODEPU and that its
 office was broken into on 29th January
 1992.

Please ensure that the
 source of these threats is investigated
 and that those responsible be brought
 to justice.

Please take adequate action
 to protect the lives and physical
 safety of CODEPU members and
 ensure that all human rights
 groups can conduct their necessary
 and legitimate activities without
 fear of reprisal.

Yours sincerely,

Monica O'Connor
