Dear Mr. President Aylwin,

I would like to express my sincere gratitude to you, Mr. President, and Mrs. Aylwin as well as to the whole Chilean people for the warm reception accorded to me and my wife during our stay in your country.

It was very kind of you to have offered us the chance for visiting your wonderful country and for knowing your nice people.

The beautiful scenery around Santiago was most impressive. Snow covered mountain ranges of Cordillera, or colorful wild flowers in full bloom along the road we drove through, among many others.

People were very friendly to us everywhere, in the parties, in the markets, or at roadside. I was glad to notice that they appeared to live quite happily looking forward to their brighter future.

Princess and I shall never forget every moment of this marvelous trip, promising our efforts in furthering the traditional friendship between Chile and Japan.

Thank you again Mr. President,

Very sincerely,

Masahito

Prince Hitachi

His Excellency
Mr. Patricio Aylwin Azocar,
President of the Republic of Chile.
