Thank you very much for the invitation to the inauguration on March 11-13. It is with great pleasure that I accept your invitation to participate. I apologise for this late notification but the invitation did not reach me until today from our Foreign Ministry. Could you kindly make an hotel booking for me and confirm to me. I hope this is possible in spite of the late notification. I will arrive on March 8 at 05.50 hrs with flight KL793.

Yours faithfully,

Margareta Grape

Could you please forward to Concertación that I accept their invitation to the "Encuentro Cooperación y Democracia" on March 8-9. Thank you in advance.
