This is to express my concern at the threats made against members of

CODEPU

and the raiding of its offices.

So I am asking that the source of the threats be investigated, those found responsible be brought to justice and that adequate steps be taken to protect the lives and physical integrity of all members of CODEPU.

I would be very grateful if the government would take measures to ensure that members of human rights groups are able to conduct their legitimate activities without fear of reprisal.

Yours sincerely and respectfully

*P. Wieland*
