Excellencia,

I wish to ~~commend~~ commend your opposition to the death penalty. But, there is a certain prisoner, Juan Domingo Salvo Zúñiga, whose death penalty has been upheld by an appeals court. I wish to request your opposition to this ruling. Amnesty International is also completely against the death penalty.

Abolition of the death penalty in Chile would ensure long-term respect for the human rights of all peoples, regardless of nationality, which the death penalty clearly violates.

Thank you for your time,
Jesse Russell
