2 March 1990

Your Excellency,

It is a great honour for me to have been invited by you to attend your inauguration as President of the Republic of Chile. This occasion is specially significant since it marks the turn to a new promising page in Chile's history.

It is therefore with great regret that I have to inform you that I shall be unable to participate in this historical event. I am proposing that Dr. Hugo Corvalan, Chief of the Latin America and Caribbean Division, represents me personally at the inauguration.

May I use this opportunity to congratulate you in your ascendancy to the Presidency and to wish you success in conquering the challenges ahead, and at the same time assure you the support of UNEP to Chile's Population and Development Programmes.

Yours sincerely,

Nafis Sadik
Executive Director
and Under-Secretary-General
