Dear Mr. President.

I write to thank you for doing Charles Alexander, Eliodoro Matte and me the honour of receiving us in Santiago last Wednesday. We were pleased to be able to tell you of our activities in, and commitment to, Chile and were heartened by the sympathetic hearing which you gave us. We were also grateful for the frank manner in which you and Mr. Foxley answered our questions.

We are greatly looking forward to your visit to this country and I am expecting to have the pleasure of seeing you when you visit Canning House on 12th April.

Yours sincerely

Leopold de Rothschild
