- With the compliments of the
 PRIME MINISTER OF INDIA

India shares with other delegations at UNCED a serigraph especially painted by Bikash Bhattacharjee, one of India's eminent artists. It highlights the stark reality of environment and development as it concerns some of the poorest on this planet. A quotation from Mahatma Gandhi (June 1921) reproduced under the painting emphasises:

"Recall the face of the poorest and the weakest person whom you may have seen, and ask yourself if the step you contemplate is going to be of any use to him. Will it restore him a control over his own life and destiny?"

Each of these limited edition serigraphs is signed by the artist.

His Excellency Mr. Patricio Aylwin Azocar,
President of the Republic of Chile
